Sir,

On 6 march last I wrote a docket to the Executive Engineer requesting that two gardeners might be supplied by the D P W for care of the grounds round the two Hostel Blocks which are Government property In his reply dated 25/27 March he says that Government should be addressed for sanction to the employment of gardeners as no gardeners are employed by the Executive Engineer at Mysore for the Students' Home

thes.

here

I presume that the reason
for that is that there is
practically no ~~Ebenezer~~ Compound
to the Students Home at myore
but as it is very different here
and as the Compound will
require a good deal of work
to make it such as, as it ought
to be I have the honor to
request that the usual allowance
of Gardener may be kindly
sanctioned as soon as
possible because the Compound
is at present in an unsightly
condition
